Obtained the toll road concession “Siglo XXI”

RELEVANT EVENT

PINFRA announce to the market that we have obtained the toll road concession “Siglo XXI”, section "Jantetelco - Higuierón (Xicatlacotla)" (with a length of 61.8 km, in the State of Morelos), confirming the interest of continuing to invest in Mexico in the development of its infrastructure.

This time as leader of a consortium formed with ALDESA and CKD GBM infrastructure. It is important to highlight that this was because was offered the lesser amount of subsidy, which was of 679.8 million PESOS, representing a difference of \$ 490.2 million PESOS against the contestant who came in second.

This competitive offer was achieved thanks to the constructive efficiency of the proposal of the Consortium (which is priced flat-rate and guaranteed by Aldesa partner), which represents a saving in the amount in the cost of the works above 1,000 million pesos against the cost of the works proposed by the contestant who came in second.

With this offer, PINFRA ratifies its capacity and efficiency in the development and management of projects
